Hi John,

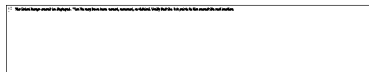

Thanks for your email and for thinking ahead.

The next phone call with CARB, the District, and Region 9 will be on Friday, August 2, from 2 – 3 p.m. That is because we are alternating one month with CARB and the District, and one month with all three entities. The next one with Region 9 may be a bit further away than usual also because I have cancelled the July meeting since I will be out of the office from June 26 to July 16. I will forward you and Anita the meeting invite. I don't have an agenda yet for that meeting, but looking at the meeting recap. from our last phone call, attached, it looks like we might continue discussing MCDs, Section 185 Fee Program, and Local Contingency Measures. Looking at the actual agenda, also attached, it looks like Jeff had the Local Contingency Measure item so I can forward the meeting invite to him, just so he can block that on his calendar in case we need him on the call. I can also include Nancy Levin since RACT will likely be on the agenda. I know it gets tough with summer vacations.

So, all of this bodes well given that you have not heard about RACT deadlines from HQ.

Yes, I will be at the meeting on Tuesday so I'll look forward to putting a face to your name then!

Sincerely,
Stephanie

Hi Stephanie – Am I right that we have not scheduled the next call and that it probably should be on Friday? Maybe we can move it ahead one or two weeks to give people time. I still don't have anything back from HQ on RACT deadlines. Maybe they are just worried that it is getting close to issuing the final action on the bump-ups. We might simply be on our own until then. LMK if you have a draft agenda. Cheers! Look forward to meeting (sorry, re-meeting?) you next week, if you are part of the CARB contingent we are meeting with on Tues. John
